\* Terms and conditions apply. Subject to scheme rules and on selected homes only.

Let us take away all the hassle and worry of selling your current property leaving you free to make a reservation on a dream new home.

Our Part Exchange Scheme is delivered in partnership with an external agent who secures a range of fair and realistic valuations for your property from which you are offered the highest one.

Furthermore, there are no concerns over house buying chains or people pulling out as the buyer for your current home is 100% secured so you can move as soon as your new home is ready.

**Secure your preferred new home before you sell**

**Independent and credible advice**

**Take the hassle out of selling your existing home**

**No estate agent fees to pay saving you expense**

Part Exchange is open to existing homeowners. The offer is subject to terms and conditions and on selected homes only.

## 5 STEPS TO YOUR NEW HOME

1

If your current property qualifies you can choose and secure your new Rydon Home for a specified period

2

We will secure independent valuations of your current property and present you with the highest offer

3

If you accept the valuation you can go on to make a full reservation of your chosen new Rydon home

4

We will instruct our partner agent to proceed with the purchase of your current home and take it in part exchange

5

Your stress free move can take place and you are ready to move into your brand new Rydon home
