* Terms and conditions apply. Subject to scheme rules and on selected homes only.

Assisted Move has been designed to make your purchase of a new Rydon home as straight forward and trouble-free as possible.

The scheme offers practical assistance by letting our experienced team take the hard work away in six simple steps.

Key benefits of the scheme include:

Secure your preferred new home before you sell

Independent and credible advice

Take the hassle out of selling your existing home

No estate agent fees to pay saving you expense

It also ensures you can make the most of the purchasing journey, providing you the time to ensure the specification is right for your needs and selecting the finishing touches to make a new home your own.

6 STEPS TO YOUR NEW HOME

1

Choose and secure your new Rydon Home for a specified period

2

An independent valuation for your home will be provided, based on securing a buyer within a specified selling period

3

A realistic selling price will be provided for your home based on the valuation, and if you agree, you may reserve your chosen Rydon home

4

We will identify a local selling agent and ask you to instruct them to sell your existing home

5

To ensure a swift process, we will recommend a local solicitor to act for you

6

If your home remains unsold, we may extend the selling period or we will return your deposit
